

# HAITI: A HISTORY OF OCCUPATION

DISCUSSING WHAT THE CORPORATE MEDIA WON'T

Wednesday, February 17th, 2010

8:00 PM

Old Chemistry 118

*"Over 500 years of slavery, oppression, colonization, reparations (to France), embargoes, sanctions, despotism, poverty, starvation, 'free trade,' un-repayable debt...and resistance"*

Join us in a discussion that goes beneath the rubble and uncovers the historical reasons for Haiti's suffering, including the United States' century-long imperialist involvement in Haiti

*Guest presentation from Professor Georges Fournon (Africana Studies)*
